ABANDONED UNINTENTIONALLY UNDER 37 CFR 1.137(b)

MAIL STOP PETITION

OFFICE OF PETITIONS

Sir:

This paper is being filed for the above-referenced application as a petition to withdraw holding of abandonment pursuant to 37 CFR 1.181. In the alternative, the applicants petition for revival of an application for patent abandoned unintentionally under 37 CFR 1.137(b).

1. **PETITION TO WITHDRAW HOLDING OF ABANDONMENT UNDER 37
CFR 1.181.**

Applicants petition the Commissioner to withdraw the holding of abandonment of the above-referenced application. An official Notice of Abandonment was mailed from the PTO on July 16, 2003.

This abandonment is a result of the Applicants' purported failure to file a response to the Office letter mailed on November 26, 2002. Applicants did indeed file a response on January 22, 2003, which was both timely and should have placed the above-referenced application into a condition for allowance. A true and accurate copy of

the Amendment and Response is attached. As you will see, the paper includes a Certificate of Mailing in compliance with Rule 1.8(a) showing the paper was deposited with the U.S. Postal Service on January 22, 2003.

In compliance with the three requirements of Rule 1.8(b), Applicant provides the following:

- (1) Applicant hereby informs the Office of the previous mailing of the correspondence promptly after becoming aware that the Office has no evidence of receipt of the correspondence;
- (2) Applicant hereby supplies an additional copy of the previously mailed correspondence and certificate; and
- (3) The undersigned attests based on personal knowledge that the Amendment and Response was deposited with the U.S. Postal Service on January 22, 2003.

Thus, it is respectfully requested that pursuant to 37 CFR 1.181, the Commissioner withdraw the holding of abandonment of the above-referenced application and consider the Amendment and Response timely filed under Rule 1.8(b), which should place the application in a condition of allowance.

2. PETITION FOR REVIVAL OF AN APPLICATION FOR A PATENT ABANDONED UNINTENTIONALLY UNDER 37 CFR 1.137(b)

In the alternative, if the Commissioner does not accept Applicants' Petition to Withdraw the Holding of Abandonment for the above-cited application, Applicants submit a Petition for Revival of an Application Abandoned Unintentionally, under 37 CFR 1.137(b), along with the following:

- (1) Required Reply:

A copy of the Amendment and Response placing the application in a condition for allowance is attached.

- (2) Petition Fee:

The Commissioner is hereby authorized to charge payment of the petition fee to Deposit Account No. 06-2226.

- (3) Statement:

The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

AMENDMENT AND RESPONSE

Commissioner for Patents
Washington, D.C. 20231

RECEIVED

SEP 24 2003

Technology Center 2600

Dear Sir:

This paper is being filed in response to the Office Action dated November 26, 2002, in the above-referenced case.

AMENDMENT

IN THE CLAIMS:

RECEIVED

SEP 17 2003

Please cancel claims 52-79, without prejudice.

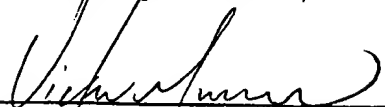

OFFICE OF PETITIONS

REMARKS

Claims 52-79 have been cancelled. The amendments are being made in response to the *ex parte Quayle* action in which the Office withdrew the cancelled claims from consideration. Accordingly, the amendments are being made to correct formal matters and are not being made for reasons relating to patentability. The amendments are fully supported by the specification, claims, and figures as originally filed. No new matter is believed or intended to be involved.

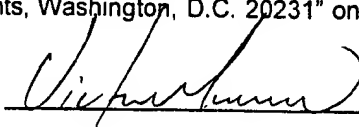

The Applicants appreciate the statement in the Office Action that claim 25 is allowable. Since claim 25 is the only pending claim, the application is in a condition for allowance. Applicants respectfully request reconsideration and an early notice of allowance.

Respectfully Submitted,
